ESSENTIALS

With DTI max Advanced Essentials, you receive the all of the GOLD monitoring, reporting and service with business hours remediation and customer support. DTI monitors your system, notifies you of impending issues and works with you or your IT staff to correct.

PREMIUM

With Advanced Premium, your IT world just became simplified. Everything the DTI max program has to offer, plus 24 x7 customer care and remediation. Your server and workstation issue are found, and corrected (most times before you even know they are issues.)

Plans starting as low at \$40 per month
Call today for your free trial or to register.

Register today for the 30 day free trial and when you activate your full version, we'll waive the \$50 setup fee. All you need to do is use code: INDEPENDENCE when you order.

BACK-UP & ANTI-VIRUS OPTION

Add local/remote backup or anti-virus services to any Gold or Advanced DTI max plan. Backup service starts at \$25pm and anti-virus at \$15pm. For more information mention: ADD-ON to your sales rep.

\$50 activation fee required for all new customers, 12 month term after 30 day free trial, billed monthly or paid annually. Standard and Advanced monitoring and remediation do not include partial software or services other than those stated. Must agree to and comply with terms of service agreement.
